Resolution #: RSB-26-10-05 Registration as an Indigenous Governing Body

Moved by: Kono Tattuinee

Seconded by: Paul Irngaut

WHEREAS *An Act respecting First Nations, Inuit and Métis children, youth and families* (the "Act," often known and referred to as Bill C-92) received Royal Assent in 2019 and came into force on January 1, 2020;

AND WHEREAS the Act, among other things, recognizes the Indigenous Peoples' inherent jurisdiction over child and family services involving Indigenous children;

AND WHEREAS under Section 12 of the Act, an Indigenous organization can act as an Indigenous Governing Body and the sole entity acting on behalf of that specific Indigenous group or community, including as the centralized notification "centre" for all government notices regarding Indigenous children under the jurisdiction of the group;

AND WHEREAS the Indigenous Governing Body status will allow NTI to provide important oversight on child welfare matters while the Government of Nunavut Department of Family Services and all other outside territorial and provincial child welfare agencies remain fully responsible for all child welfare legislative duties;

NOW, THEREFORE, BE IT RESOLVED THAT the Board of Directors approves and authorizes NTI to act as an Indigenous Government Body under *An Act respecting First Nations, Inuit and Métis children, youth and families*;

AND BE IT FURTHER RESOLVED THAT NTI work with the Government of Nunavut Department of Family Services on an information sharing agreement and other necessary collaborative mechanisms to share, access, record, collect and/or retain Inuit-specific data in relation to child welfare matters, and to otherwise improve the administration of child and family services involving Inuit children.
