2018 Approved Project Concepts

1. Recreation and Parks Association of Nunavut

Project Title: Leading the Way – Youth Recreation Strategy

Project Overview: A territorial non-profit organization that provides youth with leadership skills through parks and recreation.

Recreation plays a vital role in our well-being and brings people together to create stronger communities. In Nunavut, recreation is a strong component of community development.

$875,000 – Three Year Project

2. Nunavut Fisheries and Marine Training Consortium

Project Title: Building and Strengthening Nunavut's Marine Labour Force

Project Overview: This organization delivers specific training to adults in the marine / fisheries industry.

The overarching project objective is to provide training to Nunavut Inuit to attain sustainable employment to allow participation in the economy and enables them to be self-sufficient.

$2,862,000 – Three Year Project

3. Inspire Nunavut Inc.

Project Title: Inspire Nunavut

Project Overview: Inspire Nunavut trains young people across Nunavut to become social and traditional entrepreneurs.

Inspire Nunavut has developed an innovative process that guides participants to the point of launching a business or social enterprise, rather than the traditional method of mentorship and funding. We deliver our training through the practical experience of starting and running a business within the training program. Participants are taken through a six months intervention where they learn the ins and outs of entrepreneurship, and the fundamentals of running a business in their community.

$4,401,900 – Three Year Project

4. Nunavut Film Development Corporation

Project Title: Nunavut Film Industry – Nunavut FIT

Project Overview: The objective of the Nunavut Film Industry Training Program (Nunavut Fit) is to create a continuum of learning and opportunity for Nunavummiut interested in a career in this industry.

$1,619,000 – Three Year Project

5. Qajuqturvik Food Centre

Project Title: Inclusion Café

Project Overview: The Inclusion café will follow the training modules used by accredited culinary school in Canada. The trainees will be tested before they can pass each module. These tests will serve as a guarantee to prospective employers that trainees are familiar with all areas necessary to work safely and productively in any commercial kitchen.

$1,275,000 – Three Year Project

6. Nunavut Sivuniksavut

Project Title: Advanced Inuit Studies Program

Project Overview: The third year proposal will place a heavy emphasis on mentorship and include a combination of classroom and on-the-job learning, all focused on preparing students for careers in the public sector.

$422,706 – Two Year Project

7. Kugluktuk Katimayeen Hamlet of Kugluktuk / Elder Centre Corporation

Project Title: 30-Health Care Aide Positions

Project Overview: This is to support long-term Elder care in Kugluktuk.

The Kugluktuk Long Term Care facility aims to be the home for 24 full-time assisted live-in residents. This facility offers skilled long-term health care services in a respectful, self-sustained community, and offers local cultural programming and northern tradition foods to residents in their own language.

$782,000 – Two Year Project

8. Hitmakerz

Project Title: Nunavut Hitmakerz Phase 4

Project Overview: This is a songwriting / music production workshop tour.

Nunavut currently has the highest rates of crime, violence and drug abuse in Canada. Nunavummiut are living in an extremely important and pivotal time, and Nunavut Hitmakerz hopes to help end the vicious cycle.

$75,625 – One year Project

9. Performance Management Consultants

Project Title: Research and Recommendation for Inuit Children and Youth

Project Overview: This is to enhance the preparedness of Nunavut Inuit for employment.

To support employment programs for Inuit youth and address potential barriers; and to have children and youth engagement to increase emotional resilience and to make positive changes.

$294,060 – One Year Project
