For Immediate Release

NTI COVID-19 VACCINATION DRAW

(April 19, 2022, Iqaluit, Nunavut) Nunavut Tunngavik Inc. (NTI) Encouraging Inuit to get their COVID-19 vaccinations. Nunavut Inuit who are fully vaccinated will be eligible to win 1 of 25 snowmobiles on April 25, 2022.

Nunavut Inuit, enrolled under the Nunavut Agreement, over the age of five will be automatically entered into the draw. Individuals who have their names drawn will need to show proof of vaccination by April 29, 2022. Adults and children who have received Moderna or Pfizer will need to show proof of two doses and adults who received Johnson & Johnson's vaccine will need to show proof of one dose.

There will be one snowmobile drawn per Nunavut community and two cash prizes of \$5,000 each for Inuit residing outside of the Nunavut Settlement Area.

Each snowmobile is already located in the community.

Inuit are encouraged to keep their enrolment information up to date with NTI. To update your name or address, call toll-free 1-888-236-5400 or email enrolment@tunngavik.com. Application forms to enroll are available from the Community Liaison Officers or on NTI's website: www.tunngavik.com.

The COVID-19 vaccine is still our best defense against the spread of COVID-19. For more information on COVID-19, the vaccines Moderna and Pfizer, OR to book your appointment, please contact your local health center.
