

Inuktit Education Innovation Fund

Application Overview

The Inuktit Education Innovation Fund (the Fund) was established to provide and enhance opportunities for Inuit to advance Inuit Language and Education in Nunavut's education system.

Funding from the Fund can be applied towards:

- Research on innovative measure, education methods, curriculum development and best practices in the delivery of education in Inuit language and culture; and
- Development of key resources, professional development opportunities and networks that provide for a system of supports to Inuit educators.

Individual Inuit enrolled under the Nunavut Agreement and non-profit organizations are eligible to apply for funding from the Fund. Applicants are asked to submit a proposal with a draft budget of expenses to support the project to ensure that it is in line with the objectives of the Fund.

Applications to the Fund will be accepted until all funding is awarded for the year. Proposals submitted can be for a one-year or a two-year project. Only successful recipients will be contacted on the outcome of their application
