BOARD OF DIRECTORS MEETING

Iqaluit, Nunavut **October 22 & 25, 2018**

Resolution No. RSB 18-10-03 **NTI Priorities 2018-2021**

Moved by: PJ Akeeagok

Seconded by: Charlie Lyall

WHEREAS the Board of Directors held a workshop on July 26 and 27, 2018 to set organizational priorities for NTI for the period of Fall 2018 to March 2021;

AND WHEREAS the Board of Directors reviewed "Niriuttaarijak – Nunavut Tunngavik 2018–2021 Priorities;"

AND WHEREAS the Board of Directors acknowledged that while it is important for NTI to work in constructive and creative partnership with the Governments of Canada and Nunavut in the priority areas identified in the document, Niriuttaarijak is not intended to cover all priority areas that are important to Inuit and NTI, and that full and fair implementation of the Nunavut Agreement and safeguard of Inuit rights under the Nunavut Agreement will continue to be the central part of NTI's core functions and responsibilities;

NOW, THEREFORE, BE IT RESOLVED the Board of Directors approves "Niriuttaarijak – Nunavut Tunngavik 2018–2021 Priorities" for internal use within NTI to provide directions to departments and staff on organizational priorities for the next three years.
