BOARD OF DIRECTORS MEETING

Nunavut **March 19-21, 2024**

Resolution #: RSB-24-03-13

Inuit Early Learning and Childcare Transformative Action and Programs

Moved by: Kono Tattuinee
Seconded by: Paul Irngaut

WHEREAS the Government of Canada previously provided investments towards Inuit-specific Early Learning and Child Care (IELCC) for a period of ten years beginning in 2018, earmarked for IELCC programs and services in Nunavut;

AND WHEREAS the Inunnguinirmut Tukimuattittijiit guided the development and implementation of the IELCC funding to be administered by NTI and the RIAs;

AND WHEREAS the Government of Canada made further significant commitments to supplement the IELCC funding in 2022 to transform early learning towards a more sustainable framework, with ongoing, permanent funding under the Transformative Action Fund (TAF);

AND WHEREAS the ITK Board of Directors passed a resolution to allocate a total of $219,506,901 towards Nunavut over a ten-year period between 2023/24 – 2033/34 combining $189,716,611 for IELCC Programs and Services, supplemented by the Transformative Action Fund (TAF) of $29,790,290;

AND WHEREAS the Senior Management Committee reviewed the draft regional allocations for IELCC and TAF funding submitted by the Inunnguinirmut Tukimuattittijiit, and further recommends that the NTI Board of Directors reviews and approves the formulae to be divided and administered between NTI and the RIAs, for 2023/24 – 2033/34;
