WHEREAS the Indigenous Languages Component (ILC) funding supports the efforts of Indigenous communities to reclaim, revitalize, maintain and strengthen Indigenous Languages;

AND WHEREAS Budget 2024 included additional ILC funding of \$13,780,219 to Nunavut;

AND WHEREAS the Senior Management Committee has recommended that the additional \$13.7 million be allocated to an Uqausirngaq Grants and Contributions Program to be jointly developed by NTI and Regional Inuit Associations (RIAs), and allocating the funding to the Uqausirngaq Grants and Contributions Program would enable NTI and RIAs to demonstrate joint commitment to funding Nunavut-wide, urban, regional, and community language projects.

NOW, THEREFORE, BE IT RESOLVED THAT Nunavut's portion of additional Indigenous Languages Component funding in the amount of \$13,780,219 be allocated to an Uqausirngaq Grants and Contributions Program to be jointly developed by NTI and the Regional Inuit Associations for review by the Board in early 2025.
