Seconded by: Paul Irngaut

WHEREAS the Board of Directors approved “*Niriuttaarijat – Nunavut Tunngavik 2018–2021 Priorities*” that has provided guidance for NTI since 2018;

AND WHEREAS the reviewing process of *Niriuttaarijat* was delayed primarily by COVID-19;

AND WHEREAS the Board of Directors has been engaging in strategic planning discussions since 2023 to renew *Niriuttaarijat*;

AND WHEREAS the Board of Directors reviewed the draft *Inungnik Makippaliatittiniq – Nunavut Tunngavik Incorporated 2025–2029 Priorities*, that is intended to provide direction to departments and staff on organizational priorities in the next four years;

AND WHEREAS the Board of Directors acknowledged that while it is important for NTI to work in constructive and creative partnership with the Government of Canada and the Government of Nunavut in the priority areas identified in *Inungnik Makippaliatittiniq*, the document is not intended to cover all priority areas that are important to Inuit and NTI, and that full and fair implementation of the *Nunavut Agreement* and safeguarding Inuit rights under the *Nunavut Agreement* will continue to be the central part of NTI’s core functions and responsibilities;

NOW, THEREFORE, BE IT RESOLVED THAT the Board of Directors approves *Inungnik Makippaliatittiniq – Nunavut Tunngavik Incorporated 2025–2029 Priorities*.
