Nunavut Tunngavik Inc. (NTI) has launched the new Nunavut Harvesters Support Program (NHSP). The purpose of NHSP is to preserve and advance Nunavut Inuit harvesting culture, heritage and traditional ways of life.

The programs listed below make up the NHSP.
They include:

1. Harvesting Equipment Program
   Small harvesting equipment
   Safety Equipment Program
   Disaster Relief Program

2. Community Hunt Program

Applications are available April 1, 2017.

To apply for these programs or to learn more about them, please contact:
